Arterial Road Closure on 75th Avenue

Lloydminster, AB/SK – Crews are scheduled to close 75th Avenue, between Highway 16 and 62nd Street.

The complete closure was not originally anticipated; however, after careful consideration it is in the best interest of public safety to close the artery from June, 27-28th for paving.

Summer is a busy time for construction and maintenance, and the city reminds motorists to respect all construction signage, barricades and speed limits.
