2017 Fall Program Guide Presents More Than 150 Cultural and Recreational Opportunities

Lloydminster, AB/SK – The City of Lloydminster is enhancing access to cultural and recreational opportunities with the release of the 2017 Fall Program Guide, which encompasses four City facilities.

The 2017 Fall Program Guide features details about exhibits, activities and classes occurring from September 2017 to December 2017 hosted by the Lloydminster Cultural and Science Centre, Bioclean Aquatic Centre, Lloydminster Golf & Curling Centre and Servus Sports Centre.

The 40-page guide contains more than 150 events and program opportunities, along with descriptions, schedules, admission prices and registration information.

New in the Fall Guide is a survey URL link. Residents are encouraged to fill out the survey and provide their opinions on how to improve future editions of the guide. Residents may fill out the survey online at lloydminster.ca/guidesurvey.

The Fall Program Guide will be delivered as an insert in the *Lloydminster Source* to more than 14,000 Lloydminster homes on Thursday, July 13, 2017. Copies will be available at City facilities, and an online version can be viewed at lloydminster.ca/guides.
