

# BUSINESS LICENCES

## IT'S TIME TO RENEW YOUR BUSINESS LICENSE.

Business licenses must be renewed annually in accordance with the Business Licence Bylaw.

After receiving the notification, businesses are required to submit payment, in-person, online or over the phone to avoid late payment penalties.

Maintaining business communications is a priority of the City of Lloydminster. If your organization has a change in owner or management, please update your business licence via *Information Update Form* at [lloydminster.ca/businesslicence](http://lloydminster.ca/businesslicence) or contacting 780-875-6184 Ext. 2123.

### DID YOU KNOW

Having a valid business licence allows your business to be the first to know about grants/financial funding, economic development opportunities, news, policy and regulation updates and includes advertising in the local business directory.

### Licence Renewal Schedule
