

2022 STREET IMPROVEMENT PROGRAM

The season for street improvement and annual maintenance is here!

There are numerous project locations for 2022, including new sidewalks and repairs to existing sidewalks. Roadway rehabilitation from gravel to asphalt, curb and gutter repairs, and roadway patching are all a part of the 2022 Street Improvement Program. All projects are expected to conclude at the end of September. Safety is our top priority; please obey all signage, speed limits and barricades.
