# Themes

## AGES 4-9

### **Stomp, Romp, and Roar**

Step back in time and discover Dino fun! Crafts and activities are centered around your child's favorite prehistoric creatures.

### **Infinity and Beyond**

Take off on a journey that's simply of this world! Spaceships, stars, planets, aliens, and extraterrestrial fun!

### **Myths and Legends**

*(formerly Medieval Magic)*

Stir up the imagination and make your party legendary! Unicorns, dragons, mermaids, knights, or princesses. Make a wish!

## AGES 9-15

### **Paleontologists in Training**

Discover how fossils are made and identified. Go on a dinosaur hunt in our galleries and see just how big dinosaur footprints really are. Experience a variety of classroom and lab activities just like a real paleontologist.

### **Mystery at the Museum**

Stop the thief! Become a Secret Agent and help us learn who stole an artifact in the museum after dark. There are two versions of this party where guests can follow clues through the galleries in the dark and complete various secret agent training exercises; or learn about fingerprint identification and solve who stole the artifact based on their fingerprints.

### **Enter The Cosmos**

From the constellations to the solar system, to the edge of our universe – explore the vast expanse of Space with us!
