SOCIAL PROGRAMS AND SERVICES

LLOYDMINSTER

.....

MESSAGE FROM SOCIAL PROGRAM AND SERVICES

We are very proud to present the 2018 Social Programs and Services Annual Report. This report has two specific purposes. The first is to celebrate the exciting programs and services that make Lloydminster a great place to live. Second, to provide transparency and accountability to our residents on the allocation of community resources and to provide information on how the City is addressing different community issues with our partners. We hope you find this report informative and look forward to hearing any questions or comments you may have.

Regards,

Patrick Lancaster

Manager of Social Programs and Services
City of Lloydminster

WHO WE ARE

The City of Lloydminster Social Programs and Services department works with local organizations to help connect people to resources, build meaningful partnerships, and provide programs and grants that build resiliency and community capacity.

SOCIAL NEEDS ASSESSMENT UPDATE

In 2017, the Social Programs and Services department, in partnership with the Lloydminster Regional Health Foundation, conducted a community social needs assessment. After a tremendous amount of input from the community, four areas of focus were identified:

Improve mental health and addictions services

Improve feelings of a sense of community and decrease isolation

Improve affordable and accessible recreation

Improve feelings of safety and support in our community

The results from the survey were used to inform the long-term planning for the Social Programs and Services Department. Some examples of the direct results from the report include:

1

The implementation of the Recreation Access Program which allows eligible Lloydminster residents to access City of Lloydminster Recreation and Culture facilities at a reduced cost.

2

Revisions to the Saskatchewan Lotteries Community Grant Policy that support the inclusion of underrepresented populations in programs.

3

Participation in the Lloydminster Regional Health Foundations' Project Sunrise Prevention and Promotion committees.

4

Promotion of the Neighbourhood Block Party program and Disconnect to Connect campaign to help build community connection.

In 2018, the Community Social Needs Assessment won the FCSS Association Award of Excellence in recognition of its collaborative and comprehensive design and implementation.

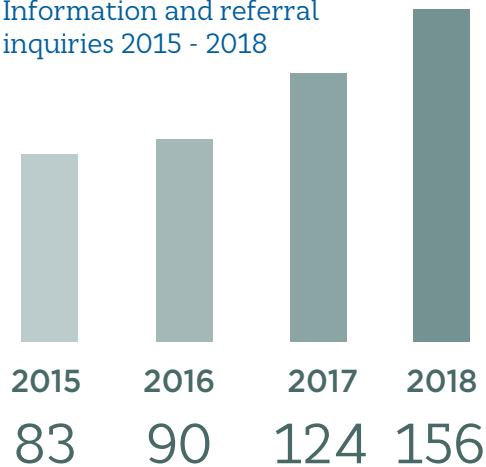

2018 IN REVIEW

INFORMATION & REFERRAL

Residents are connected to services and supports in the community through directories, newsletters, poster, brochure distribution and one-on-one conversations.

The Social Programs and Services department hosted several workshops including Karen Mercier's Fund Development for Non-Profits, Morris Green's Building Resilience in Youth, the Saskatchewan Schizophrenia Society on Mental Health, and Bill Harder's Compassion Fatigue Workshop. These events help to enhance the knowledge and skills of non-profits and raise awareness of social issues in our community.

184 participants

FAMILY AND COMMUNITY SUPPORT SERVICES

A large portion of the Social Programs and Services Department's funding comes from the Family and Community Support Services (FCSS). As part of an agreement with the Province of Alberta, the City of Lloydminster receives \$465,585, which it matches with a minimum contribution of \$116,396 for a total of \$581,981 spent on preventative social programs and services. This 80/20 partnership is calculated based on the Alberta population of Lloydminster, but FCSS programs operate freely on both sides of the border. Of this, \$419,000 goes back into the community in the form of grants.

SASKATCHEWAN LOTTERIES COMMUNITY GRANT PROGRAM

The Saskatchewan Lotteries Community Grant Program is a partnership among Sask. Sport Inc., Sask. Culture Inc., and the Saskatchewan Parks and Recreation Association Inc. The grant program assists in the development of sport, culture and recreation programs by providing funds to non-profit community organizations operated by volunteers. The City of Lloydminster receives funds which are then distributed to local non-profit volunteer community groups to provide programs. Total grant funding for 2018/2019 was \$67,222. Funds received are calculated based on Lloydminster's Saskatchewan population, but go towards programs that operate on either side of the border.

LLOYDMINSTER TOBACCO REDUCTION GRANT

The Lloydminster Tobacco Reduction Grant was developed to support initiatives that raise awareness of the health risks associated with tobacco and/or support the adoption of a tobacco-free lifestyle. In 2018, \$26,450 was collected from Tobacco Retailer and Flavoured Tobacco Retailer fees under the Business Licence Bylaw (Bylaw 11-2018). The funds are distributed through the Lloydminster Tobacco Reduction Grant (Policy 15-2017) to community organizations.

SASKATCHEWAN TRANSIT ASSISTANCE FOR PERSONS WITH DISABILITIES

The Government of Saskatchewan provides financial support to municipalities who offer paratransit services for persons with disabilities. The City of Lloydminster applies for these funds and provides them to local paratransit operators, i.e. Border City Connects.
